MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Recruitment Advertising

1. This memorandum submits a recommendation for your approval; this recommendation is contained in paragraph 5.
2. There is attached at Tab A a proposed Agency-identified advertisement for Photo Lab Technicians. We propose to run this advertisement in Northern Virginia suburban newspapers such as the North Virginia Sun, the Vienna Times, and the Arlington Times. This advertising campaign would be in support of a recruitment requirement to fill four Photo Lab Technician vacancies in the Office of Logistics.
3. There is attached at Tab B a proposed non-Agency identified advertisement for TV Systems Specialists. A similar advertisement was run in the New York Times last June and the response was quantitatively high but not qualitatively so. The proposed advertisement was drafted in the Technical Services Division with the intention of clarifying the requirements and obtaining more useful responses.
4. Both of these advertisements have been reviewed and endorsed by the Recruitment Advertising Committee.
5. It is recommended that you approve the proposed publication of the advertisement.
